## PROJECT SUMMARY:

The Children's Christmas Giving Tree is for children who may not receive Christmas gifts because of family hardship. The parents submit the children's ages and size of clothing to the White Gift Organization who submit the names to us. These are entered on colored construction paper ornaments and put on a plastic cut-out Christmas tree. The trees are then displayed in our financial institutions. Our community is very generous in picking an ornament from the tree and buying a gift. The presents are usually delivered the Saturday before Christmas. This year each family received a personal care package also.
