**PROJECT SUMMARY:** Send out letters to area businesses in the community asking for cash donations made payable to McFarland Community Food Pantry. Cash enables the food pantry to buy items not donated and help with other essentials of living. We generally raise around \$1,000 for the food pantry every fall. Be sure to put a letter to the editor or article in your local newspaper telling about the project and at the end thanking people for their support as you are likely to get donations that way also.
