**PROJECT SUMMARY: Youth Appreciation Week.**  
**Participated in the Middle School Ugly Bug Ball.**  
**The Noon Optimist club provided a meal after school for the 7<sup>th</sup> grade participants of a science project fair. The 7<sup>th</sup> graders have for 7 years studied on bugs in Mrs. Whiteman;s class and when completed they hold a Bug Ball which is demonstration booths throughout the school with their displays, and bug contest for the area students to participate in. A bug play is also performed. This takes place on a Friday Night (this year Nov. 5<sup>th</sup>) from 5 PM – 9 PM. After the displays were set up (approximately 4:15 PM) the students came to the cafeteria and had their supper to sustain them till returning home later.**

**They demolished ten 3 foot long Subway subs, one bushel of donated apples, 200 bags of chips, 20 dozen home-made cookies and 240 bottles of water. Very smiley faces and full stomachs was the result. 3 club members started preparations at 2PM that day. Set up and clean up were done by 5 optimist members. Two other members donated cookies and we were departing the cafeteria by 5:30 PM.**
